NATIONAL AND STATE OF ILLINOIS BREAST CANCER RESOURCES

A comprehensive listing of greater Chicagoland Farmer's Markets is in the Appendix

Please be aware that the information in this directory is provided "as is" for general information only. It is not intended as medical advice, and should not be relied upon as a substitute for consultations with qualified health professionals who are familiar with your individual medical needs. Please note: In no way does this information replace the advice of a qualified health care professional.

Air Charity Network (formerly Angel Flight America)

Website: www.aircharitynetwork.org

Air Charity Network provides access for people in need seeking free air transportation to specialized health care facilities or distant destinations due to family, community or national crisis.

American Cancer Society 800-ACS-2345

Website: www.cancer.org

The American Cancer Society (ACS) is one of the nation's leading community-based voluntary health organizations dedicated to eliminating cancer as a major health problem. It works to prevent cancer, save lives, and diminish suffering from cancer through research, education, advocacy and service. With over 3,400 local offices throughout the country, the ACS provides research, education, patient care and clinical trial information.

Local ACS offices offer the following services:

- *TLC: Mastectomy and Hair Loss Products* (in some cases they offer free wigs, hats, head scarves, kerchiefs and other useful products)
- *Reach to Recovery* support groups
- *Road to Recovery* program provides transportation to and from treatment for people who have cancer and do not have a ride or are unable to drive themselves
- *I Can Cope* educational programs on cancer-related topics
- *Look Good...Feel Better* program is a community-based, free service that teaches female cancer patients beauty tips to look better and feel good about how they look during chemotherapy and radiation treatments – sessions are held at different locations throughout the Chicagoland area
- Local hotels provide temporary housing and lodging assistance at a reduced rate for cancer patients and their families during treatment (Reservations must be made through an ACS representative; contact Leslie Evans at 312.641.6150 x351 for more information)

American College of Sports Medicine Website: www.acsm.org
317-637-9200

The American College of Sports Medicine can refer you to a registered clinical exercise physiologist specializing in the needs of breast cancer patients. You can also ask your oncologist for a similar referral. A clinical exercise physiologist has special training and education that allows them to help those who would benefit from specific forms of movement and exercise.

American Dietetic Association Website: www.eatright.org
800-366-1655

The American Dietetic Association can give you a referral to a qualified dietitian in your area specializing in oncology.

American Society of Plastic and Reconstructive Surgeons
444 E. Algonquin Road
Arlington Heights, IL 60005
800-635-0635 Website: www.plasticsurgery.org

Upon request, a list of five certified plastic and reconstructive surgeons in your area will be mailed to you. Please keep in mind that plastic surgery results vary from person to person. It is best if you can speak with patients from a specific doctor to learn more about the process, recovery and final outcome. At a minimum, request to see photos of actual patients at various stages of recovery and before and after procedures. Ask to see photos that document procedures that went well as those that did not turn out so well.

Breast Cancer Action
877-2StopBC Website: www.bcaction.org/www.thinkbeforeyoupink.org

Breast Cancer Action is a grassroots education and advocacy organization that works to ensure people have access to more effective, less toxic treatments. They also address social, economic, racial and political injustices that affect breast cancer outcomes.

Breast Cancer.Org
610-642-6550 Website: www.breastcancer.org

Breast Cancer.org is an online resource for breast health and breast cancer information, with 70 professional advisors. They provide vital information and support to those affected by breast cancer.

Breast Cancer Network of Strength

300 W. Adams Street
Suite 430_
Chicago, IL 60606
800.221.2141
312-364-9071

Website: www.networkofstrength.org

The Breast Cancer Network of Strength (formerly called Y-Me), is a national organization, with their headquarters office located in downtown Chicago. They are focused on supporting women throughout their breast cancer journey.

Free services include:

- Support groups offered throughout the Chicagoland area
- Free wigs and prostheses through the Sharon Rose Wig and Prosthesis Salon (312-364-9071)
- *Your Shoes* Breast Cancer Support Center staffed by breast cancer survivors available on a 24/7 hotline (800-221-2141 for English; 800-986-9505 for Spanish)
- *ShareRing* Network, a free, monthly teleconference that focuses on health issues and quality-of-life concerns that affect survivors, including relationships, stress management, coping skills and side effect management.
- Gerry Weinberg Resource Library offers over 200 books about breast cancer available for lending
- An annual walk to raise awareness and help raise funds for programs
- An annual conference that helps to educate, inform and inspire those affected by breast cancer

Cancer Connection

800-263-6750

Cancer Connection offers phone links to other breast cancer survivors who have similar diagnoses.

Cancerlit

Website: www.cancer.gov/cancerinfo/literature

This is the website to consult when you are looking for cancer articles published in scientific journals, books, meetings or reports.

Celebrating Life Foundation Website: www.celebratinglife.org
800-207-0992
P.O. Box 224076
Dallas, TX 75222

Celebrating Life Foundation is a national organization that promotes breast cancer awareness among African American women and women of color. They offer educational material, workshops, local support groups, and numerous other resources.

Cancer Lifeline Website: www.cancerlifeline.org
800-255-5500

Cancer lifeline offers exercise programs, such as yoga, tai chi, and dance therapy and emotional support groups for women on a breast cancer journey. They have a DVD called "CancerLifeline: Faces of Lymphedema," that is available upon request. The toll free number for the Lymphedema Program is 800-255-5505.

Dr. Susan Love Research Foundation
Website: www.drsusanloveresearchfoundation.org

Dr. Susan Love is the author of the best-selling, Dr. Susan Love's Breast Book. The New York Times calls this book, "The bible for women with breast cancer. If you decide to consult it, be sure to review the latest edition. The 4th edition was fully revised and published in 2005. Updated every five years, the 5th edition is due to be released in 2010. The Foundation is committed to finding a cure for breast cancer and in 2008 partnered with Avon to enroll 1,000,000 women in breast cancer related clinical trials to help accelerate the search for a cure.

Fertile Hope Website: www.fertilehope.org

Fertile Hope focuses on fertility issues for women on a breast cancer journey.

Forever Whole Website: www.foreverwhole.org

Forever Whole is an Illinois non-profit organization whose mission is to help alleviate suffering amongst those affected by breast cancer. Forever Whole's primary offering is a comprehensive DVD/CD program featuring a team of leading medical and health experts, many of them breast cancer survivors themselves, that addresses the main components of a breast cancer journey.

Forever Whole (cont.)Website: www.foreverwhole.org

DVD segment titles include: *The Medicine of Breast Cancer* by Dr. Nora Hansen, Director of the Lynn Sage Comprehensive Breast Center at Northwestern Memorial Hospital and Associate Professor of Surgery at Northwestern University's Feinberg School of Medicine; *Maintaining Your Peace of Mind through Meditation*; *How Nutrition and Lifestyle Choices Can Enhance Your Breast Cancer Journey*; *Bringing Good Nutrition to Life in the Kitchen*; *Acupuncture for Symptom Relief*; *Regaining Range of Motion through Physical Therapy*; *Lymphedema: What it Is and How to Protect Yourself*; *Reconnecting to Your*

Body: Moving from the Heart; *A Return to Wholeness through Gentle Yoga*; *Wisdom, Hope and Encouragement from Women Who Are on a Breast Cancer Journey: Survivor Stories in English and Spanish*; and *Visualizing Radiant Health through Yoga Nidra: Guided Relaxation*.

Gilda' Club

888-445-3248

Website: www.gildasclub.org

Gilda's Club (named after Gilda Ratner), mission is to create welcoming communities of free support for everyone living with cancer, along with their families and friends. Its innovative program is an essential complement to medical care, providing networking and support groups, workshops, education and social activities. All services are free.

Hope Lodge

800-227-2345

Website: www.cancer.org

Twenty (20) lodges offer cancer patients and their care givers free lodging while they are away from home to receive treatment. Call the toll-free number or go to the American Cancer Society website and type "Hope Lodge" into the Search Function, and click on "go" to find out more about where they are located throughout the U.S.

I Can CopeWebsite: www.cancer.gov

This American Cancer Society (ACS) course helps people diagnosed with cancer and their families learn how to better deal with all that comes with a cancer diagnosis. Go to the ACS website, type "I Can Cope" into the Search function, and click on "Go."

Illinois Breast and Cervical Cancer Program (IBCCP)

888-522-1282

Website: www.cancerscreening.illinois.gov

The Illinois Breast and Cervical Cancer Program (IBCCP) offers free mammograms, breast exams, pelvic exams and Pap tests to low-income, uninsured or underinsured women in Illinois. Please call their toll-free number for the referral location closest to you.

Imaginis Website: www.imaginis.com/breasthealth/lymphedema.asp

Imaginis is a comprehensive website that offers resource information on a number of issues affecting women's health, including breast cancer and lymphedema.

Jonsson Comprehensive Cancer Center

888-ONC-UCLA

Website: www.cancer.ucla.edu

The Revlon/UCLA Women's Cancer Research Program at UCLA's Jonsson Comprehensive Cancer Center has established an international reputation for developing new cancer therapies, providing the best in experimental and traditional cancer treatments and expertly guiding and training the next generation of medical researchers.

Lance Armstrong Foundation Website: www.livestrong.org

2201 E. Sixth Street

Austin, TX 78702

877.236.8820

For Cancer Support: 866.673.7205

Founded in 1997 by testicular cancer survivor and champion cyclist Lance Armstrong, the Lance Armstrong Foundation is a major resource for people who are on a cancer journey. They inspire and empower people, believing that unity is strength, knowledge is power and attitude is everything. They provide practical information and tools in English and Spanish, many of them free, that help people living with cancer live life on their own terms. They take aim at the gaps between what is known and what is done to prevent suffering due to cancer. Their programmatic focus is on prevention; access to screening and care; improvement of quality of life; and investment in research.

Living with Breast Cancer Website: www.breastcancer.org

A comprehensive, overall website, created by Dr. Marisa Weiss, a radiation oncologist.

Look Good...Feel Better Website: www.lookgoodfeelbetter.org

In partnership with the National Cosmetic Association and the Cosmetic, Toiletry and Fragrance Association Foundation, the American Cancer Society provides this free service that helps women restore their appearance by showing them how to apply makeup to help compensate for the loss of eyelashes and eyebrows, creatively work with scarves and wigs, etc., while going through treatment.

Lymph Notes

Website: www.lymphnotes.com

Lymph Notes is an extensive online information resource and support group for those with lymphedema.

Lymphatic Research Foundation

Website: www.lymphaticresearch.org

The Lymphatic Research Foundation is a 501 © (3) non-profit organization whose mission is to advance research of the lymphatic system and to find the cause of and cure for lymphatic disease, lymphedema and related disorders. Their website contains a short, well-illustrated segment of streaming video on the lymphatic system.

Lymphoedema Association of Australia

Website: lymphoedema.org.au

Even though this website is based in Australia, it is worth viewing if you have lymphedema or are concerned about lymphedema. It contains easy to understand information on lymphedema, the treatment of lymphedema, how to select a lymphedema therapist, how to discern the best treatment; what compression bandages are and how to use them; what compression garments are and how to use them; and resources. The site is currently undergoing an extensive update but still contains useful information and is easy to navigate.

Lymphology Association of North America (LANA) Website: www.clt-lana.org

P.O. Box 466
Wilmette, IL 60091
773-756-8971

The Lymphology Association of North America (LANA) maintains a list of lymphedema therapists who have passed their certification exam. The list is on their website. You can search by last name of the therapist, or if you don't know the name of a therapist and are looking for one you can search by your city, state or zip code.

Mary-Helen Mautner Project for Lesbians with Cancer

1875 Connecticut Avenue NW
Suite 710
Washington, DC 20009
202-332-5536
866-628-8637 (toll-free)

Website: www.mautnerproject.org

The Mary-Helen Mautner Project for Lesbians with Cancer is part of the National Lesbian Health Organization. Their mission is to improve the health of lesbians, bisexual and transgender women who partner with women, and their families, through advocacy, education, research and direct service.

National Alliance of Breast Cancer Organizations

9 E. 37th Street
10th Floor
New York, NY 10016
800-806-2226

Website: www.nabco.org

“The more you know, the less you fear,” is the motto of this coalition of more than 370 breast cancer organizations. As the leading non-profit information and educational resource on breast cancer in the U.S., their site features links to a comprehensive array of resources.

National Association of Hospital Hospitality Houses, Inc.

Website: www.nahhh.org

The National Association of Hospital Hospitality Houses, Inc., is a caring association that provides family centered lodging and support services to families and their loved ones who are receiving medical treatment far from their home communities.

National Breast Cancer Coalition

1707 L St. NW
Suite 1060
Washington, DC 20036
800-622-2838

Website: www.stopbreastcancer.org

The National Breast Cancer Coalition is a national advocacy group, dedicated to ending breast cancer through the power of action and advocacy. Their main goals are to increase federal funding for breast cancer research, and improve access to high-quality health care and breast clinical trials for all women. They are considered by many to be the best national organization focused on political and policies issues. It lobbies for increased research funding, access to medical services and education.

National Cancer Institute

800.422.6237

Website: www.cancer.gov

The National Cancer Institute is a component of the National Institutes of Health, the federal government’s principal agency for cancer research and training. It offers free, current information in English and Spanish on treatment, clinical trials, nutrition, advanced cancer and services in your area. The NCI disseminates health information in regard to diagnosis, prevention and treatment of cancer and is a good resource for clinical trials. It lists clinical trials and is a good source of accurate, unbiased information.

The NCI provides a list of NCI designated cancer centers listed by state at: www3.cancer.gov/cancercenters/centerslist.html

National Cancer Institute

Website: www.cancer.gov

The two centers listed for Illinois are:

Robert H. Lurie Cancer Center of Northwestern University
303 East Chicago Avenue
Olson Pavilion 8250
Chicago, IL 60611
312-908-5250

University of Chicago Research Center
5841 S. Maryland Avenue MC 2115
Chicago, IL 60637-1470
773-702-6180

National Center for Complementary and Alternative Medicine

P.O. Box 7923
Gaithersburg, MD 20898-7923
888-644-6226

Website: www.nccam.nih.gov

The National Center for Complementary and Alternative Medicine (NCCAM) facilitates research and evaluation of complementary and alternative practices, and provides information about a variety of approaches to health professionals and the public. It is a good starting place for scientific information about complementary and alternative therapies.

National Comprehensive Cancer Network Website: www.nccn.com

An excellent resource providing practical guidelines on how to best navigate a breast cancer journey.

National Hospice Organization

Website: www.nho.org

The National Hospice Organization provides a directory of hospice programs by state.

National Lymphedema Network

1611 Telegraph Avenue
Oakland, CA 94612
800-541-3259

Website: www.lymphnet.org

The National Lymphedema Network provides education and guidance to lymphedema patients, health care professionals and the general public by disseminating information on the prevention and management of primary and secondary lymphedema. It offers educational materials, support groups and referrals to lymphedema specialists.

Northwest Lymphedema Center
206-575-7775

www.nwlymphedemacenter.org

The Northwest Lymphedema Center is a 501 (c) (3) non-profit organization located in Kent, Washington. They have a comprehensive website that offers free on-line self-care videos that you can watch. Their goal is to provide hope and encouragement for people with lymphedema. the goal of their website is to help people with lymphedema learn the skills to effectively manage their lymphedema and thereby discover that lymphedema does not have to control your life. They have been teaching lymphedema classes since 1993 and offer a six-hour lymphedema self-care class in Kent, Washington. the class covers a wide range of subjects, including manual lymph drainage (MLD), exercise, skin care, compression garments and nutrition. They sell DVDs that teach self care, through their website.

Nueva Vida
202-223-9100

Website: www.nueva-vida.org

Nueva Vida empowers, informs and supports Latinas who are affected by cancer. Their goal is to advocate for and facilitate access to state-of-the-art care for Latinas while also providing emotional support.

Reach to Recovery
800-227-2345

Reach to Recovery is an American Cancer Society (ACS) program that matches survivors with women just diagnosed with breast cancer. These volunteers are trained to share their knowledge and experience in a supportive and non-intrusive way. Call the toll-free number for the program nearest you.

Relay for Life
800-227-2345

Relays for Life are American Cancer Society (ACS) events designed to celebrate survivorship and raise money for ACS research and programs in literally thousands of communities. The event honors cancer survivors, who always take the first lap, graced with a purple sash, with literally thousands of people cheering them on. To find out about the Relay for Life in your area, call the toll-free number.

SHARE (Self-help for Women with Breast or Ovarian Cancer)
866-891-2392

Website: sharecancersupport.org

SHARE provides peer-led support, information, including availability and access to clinical trials, resources and hope through its multi-lingual hotlines, support groups, educational programs, survivor patient navigator initiatives and advocacy opportunities through its SHARE LEADERS program.

Sisters of Hope
c/o Betty Mewborn
2531 South J Street
Tacoma, WA 98405
253-572-2683
e-mail: sistersofhope@hotmail.com

Sisters of Hope is a support group of African American women with breast cancer and their families.

Sisters Network, Inc.
866-781-1808

Website: www.sistersnetworkinc.org

Sisters Network, Inc. is the leading voice and only national African American breast cancer survivorship organization in the United States. With chapters in cities across the country, including Chicago, they host an annual national conference and offer local support to those who are on a breast cancer journey.

Susan G. Komen Foundation
800-462-9273

Website: www.komen.org

The Susan G. Komen Foundation is a private fundraising foundation that raises awareness and awards grants for research and programs to fulfill its mission of preventing breast cancer through research, education, and screening.

Tender Loving Care Magazine/Catalogue

Website: tlccatalog.org

This is an American Cancer Society sponsored magazine/catalog that combines information with products for women who are coping with cancer. Wigs, hairpieces, breast forms, hats, accessories, and more are available. You can order on-line or call for a free catalogue. This program is self-supporting and profits are reinvested in the program to make it more accessible to people who are under-resourced.
